GROFF'S Landscape Services

(856) 589-9600

Groff's Millpond Nursery is family owned and operated. We provide complete landscape maintenance, design, installation and project management with 50 plus years of experience. Our team includes a landscape designer, certified pesticide applicator, degreed horticulturist and N.J. certified landscape architect.

**Groff's
Landscaping Inc.**
by design

• Residential Landscape Design • Landscape Lighting Design • Grading and Drainage • Full Installation Including: Patios, Walkways, Retaining Walls, Custom Outdoor Kitchens, Perennials, Shrubs & Specimen, Trees, Ponds & Waterfalls • Specializing in creative pool landscapes, native plantings, perennial gardens and water features.

Landscape design begins with you, the homeowner. Our design staff will work with you to achieve a landscape that reflects your personality and fulfills all your landscaping wishes. Landscaping is a lifetime investment and professional landscaping can improve the value of your property by up to 15%.

We also have an experienced mason on our team that oversees all hardscape installations, including pavers, brick and stone.

Groff's Grounds Maintenance offers a variety of services beginning with spring cleanups and mulching, all the way through to fall cleanups. Our lawn maintenance program entails weekly lawn mowing, trimming, and edging of your landscape. Our lawn care service provides 3 lawn programs so you can choose the program that best suits your lawns needs. We also offer: Seasonal trimmings of your shrubbery, Planting of annual flowers, Seasonal insect spraying of shrubbery, Fall seeding and aeration, and Start up and winterization of sprinkler systems.
